

How to be a Client of ILS

ILS serves people with residence inside the Diocese of Grand Rapids, and those living in other dioceses in Michigan if there is no Catholic program available.

ILS serves persons from households earning under 200% of the federal poverty guideline. We can use last year's income, or current household income, to qualify you for services.

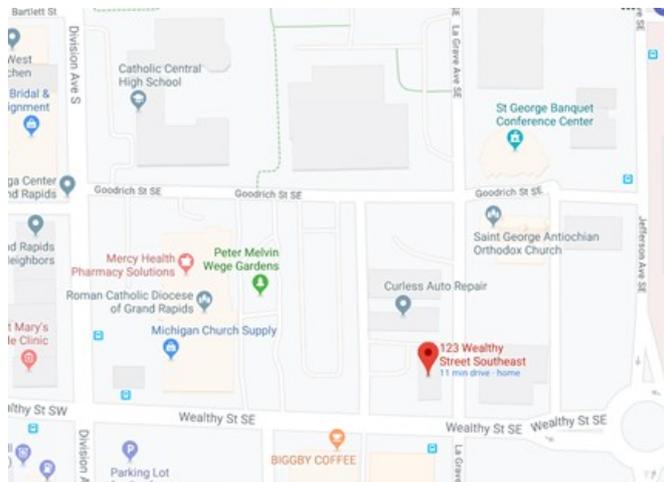

You will need to prove your income before we can accept your case.

To request an appointment, please call 616-551-4746. The secretary will tell you whether we are accepting the kind of case you need help with, which can vary. Please keep in mind that if you have to cancel an appointment, it may be several weeks before we can put you on the calendar again.

About the Diocese of Grand Rapids

The Diocese of Grand Rapids was established in 1882 and originally consisted of the northern and western part of the lower peninsula. Since 1971, the diocese has been comprised of 11 counties in West Michigan including, Ionia, Kent, Lake, Mason, Mecosta, Montcalm, Muskegon, Newaygo, Oceana, Osceola, and Ottawa. In union with our Holy Father through schools, hospitals, in churches, families and organizations, we seek to bring the truth and justice, the mercy and love, and the great peace of Christ to our society.

Our current bishop is the Most Reverend David John Walkowiak and he is the twelfth bishop of our diocese. He was appointed bishop of Grand Rapids in 2013. "His governance insures that this ministry is based upon sacred scripture, tradition, liturgy, the official teaching authority and the life of the Church" (Diocesan website).

Preparing for the appointment

The first appointment with the attorney is the chance for you to meet the attorney, see if you would be a good match, and explain what kind of help you are looking for.

This is also when the attorney can begin to determine if they can help with your case, if they need more information, and whether you are a good match.

If the attorney believes they might be able to help you, they will issue you a list of items and ask you to collect the items. When you have collected the items, you can then make a continuation appointment to continue evaluating your case.

At this point, you are free to hire a different attorney, and ILS is free to refuse your case.

When you come to your appointment, be ready with the following things:

- Consultation fee in cash or money order
- Proof of low income: public benefit letters, or most recent year's income tax return plus current pay stubs from everyone in the house who is working
- Whatever immigration documents or ID documents you have
- Whatever correspondence from immigration agencies you have
- Whatever else that may be helpful to the attorney, such as criminal records or civil documents.

General Policies

Be on time. If you arrive too late, we may not be able to see you, and there may not be any more consultation appointments available.

If you call us and no one is available to take your call, leave a message with your name and telephone number.

Please review our full list of policies posted at the office.
