## Why Welcome All? Panel Discussion

## Training

**GROW is an outreach ministry of the Diocese of Grand Rapids for people returning from incarceration. GROW helps break the cycle of recidivism by educating parish communities on the spiritual needs and concerns of returning citizens and their families. GROW helps create welcoming faith communities through building awareness and relationships.**

### Consider this:

- 95 percent of offenders will be released. How do we as a Catholic Church continue to journey with them as they re-enter society?
- Studies show those who are connected to a faith community are far less likely to return to prison.

Learn why hospitality and spiritual programming are essential to civil and Christian living by hosting this re-entry panel discussion. Panelists will include a returned citizen, a Grand Rapids Police Officer and a Michigan Department of Corrections Offenders Success Coordinator. Contact the Prison & Jail Ministry office to learn more at 616-475-1255.
