

Sensory-friendly Mass

In an effort to embrace and welcome the members of our Church with intellectual and developmental disabilities, the Diocese of Grand Rapids' Office of Faith Formation has collaborated with our parishes to offer a sensory-friendly Mass.

Sensory-friendly Masses include low lights, soft music, and no incense. Families and individuals are encouraged to get up and move as needed, to bring alternative seating, fidgets or noise-cancelling headphones, and to participate in the liturgy just as they are.
